Please answer the following questions adding in any additional comments as you feel appropriate. Much love, time and energy has been invested in our puppies to ensure that they become wonderful family members for people like you. We just want to be sure that he/she will be a proper fit into your life.

1. How many people live in your home and what are their ages?
2. Do you own or rent your home?
If you rent, we would like a signed letter of consent from the landlord.
3. Do you have a fenced in yard or access to a fenced in area where you will be exercising your dog?
4. Do you own any other dogs? If so, please list their ages and breed.
5. If not now, have you ever owned a dog(s)? What breed and what became of them?
6. Briefly describe your family's lifestyle.
7. What hours is someone home during the day and evening?
8. When left alone, what are your plans for the puppy?

9. Early training and proper socialization are important in the development of a happy, healthy dog. What kind of training/ socialization do you plan on providing for you puppy?

10. Any puppy can have destructive chewing behaviors, especially while teething. What kind of chew products/ toys do you plan on providing for him/her?

11. Proper potty training can take a couple of months or more. Are you willing to spend the time necessary to potty train your puppy?

12. Do you plan on using a crate to assist in potty training your puppy?

13. If not, what method of training do you intend to use?

14. Exercise is another important, as well as fun, aspect to your puppy's/dog's life. How often do you plan on exercising him/her?

What form of exercise will you provide?

15. Diet also plays an important role in keeping your dog healthy. What food do you plan on feeding your puppy?

16. We are raising these wonderful pups in our home and it is our intention that they will be a member of your family and live IN your home, not outside. Is this your intention?

17. What attributes are you looking for in a dog (different breeds of dogs bring with them different traits)?

18. Why have you chosen this breed to become a member of your household?

19. What veterinarian do you plan to use? (name, address, phone number)
If you indicated previously owning a dog, may we call that office for a reference?

20. Who will be responsible for the care, grooming and training of your puppy?

21. Do you have a groomer?
